Authorization for this examiner's amendment was given in a telephone interview with Donald Black on Sept. 4, 1997.

3. The application has been amended as follows: Please cancel claims 14 to 26, 29 to 48, 52 9/4/97 to 59 and 64 to 68.

Claims 14 to 26, 29 to 48 and 52 to 59 are drawn to a non-elected embodiment withdrawn from consideration without traverse. As noted previously, these species represent the claimed subject matter in the parent application. Claims 64 to 68 are cancelled as these claims are drawn to an invention which is patentably distinct from that of the allowed claims. These claims should have been the subject of a restriction requirement, but one was not made. Note that the reasons for allowance for the allowed claims do not apply to these claims since none of the critical limitations are found in claims 64 to 68.

4. The following is an examiner's statement of reasons for allowance: for reasons consistent with those given by applicants the instant claims are in condition for allowance. Note that the amendments have been made in accordance with the Examiner's suggestions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
